OUR GOAL IS TO SAVE OUR MEMBERS \$3,500,000 IN INTEREST PAID IN 2023!

NCUA VISIT

What an honor to host National Credit Union Administration Board Member and Past Chair Rodney Hood at Members on April 10! Director Hood visited us because of our dedication to diversity and services to the low/moderate income and underserved community.

He feels that financial inclusion is the civil rights movement of our time.

During his visit, he greeted all staff members and then met with our board chair, Brian Wood, vice chair Gloria Fernandez-Tearte and board director Edith Targonski as well as CEO Kathy Chartier, EVP Lynn Sabatino, and Hispanic loan officer Lisette Molina. Bruce Adams, CEO of the Credit Union League of CT also attended. Lisette shared her story of coming to the US and assimilating into our financial system with our help and financial education to eventually become a Members CU staff member and loan officer, and the satisfaction she receives from helping other immigrants reach financial well-being. That led to a great discussion about the ways that we are serving our members, and how our mission has helped us grow and thrive at a time when many other small credit unions are closing or merging.

Mr. Hood described many initiatives he and NCUA support to help small credit unions thrive. Thank you, Director Hood, for your dedication to the credit union movement.
